

CV – Caroline Wallberg

Currently working as a character artist, I always strive to improve, to broaden my horizons and expand my skills. I am thorough, with an eye for details, and good at seeing the big picture; colour, atmosphere and lighting are some of my strengths. I enjoy a variety of styles, both realistic and stylized, 3D and 2D. Quality and efficiency is what I aim for.

WORK EXPERIENCE

- April 2017 – present **Character artist** working on *Total War: Warhammer*; *Total War: Warhammer II*; *Total War: Three Kingdoms*, Creative Assembly
- Creating characters, creatures and prop models; texturing them using hand painted and current generation techniques.
- Concepting and designing accessories and props.
- April 2016 – March 2017 **Associate character artist** on *Total War: Warhammer*, Creative Assembly
- September 2015 – March 2016 **Character artist trainee** on *Total War: Warhammer*, Creative Assembly
- April 2015 – July 2015 **Junior prop artist** on *Tom Clancy's The Division*, Massive Entertainment
- Created environment props, specifically skyscrapers, modelling and texturing them.
- Gave feedback and made sure that outsourced skyscrapers were made correctly.
- September 2014 – April 2015 **Internship: Junior prop artist** on *Tom Clancy's The Division*, Massive Entertainment
- May 2013 and May 2014 **Volunteer work** at Nordic Game Conference, Malmö, Sweden
